My Commitment

In order to become more the man that God wants me to be, I commit myself to the following:

- 1. I will make weekly attendance at the meeting a priority.*
- 2. I will complete the assignment for the week and be willing to share my thoughts with the group.*
- 3. I will hold in confidence any personal matter shared in the group.*
- 4. I will encourage my brothers to be courageous, do the work, and become the men God wants them to be.*
