

Men's Ministry That Works #1

Do you believe the statistics from the video are accurate for where men are? (See slide 3) Why or why not?

90% of a man's life energy will be consumed by the issues of: Money, Marriage, Raising Children, Sex, Moral Purity, Work and Going through Hard Times. Does it make sense that we should help Christian men discover Biblical principles on these areas if they are to succeed in life? Which of these topics do you most need help in?

Do you believe we have a Biblical Template for Men's Ministry from 1 Timothy 3, Titus 1, The Great Commandment and Great Commission? Why is important to understand that we have a Biblical template for men's ministry?

What is "smorgasbord" ministry? How effective do you feel "smorgasbord" ministry is in reaching men? Why don't we take the smorgasbord approach?

Draw the EMAW building block diagram from memory

Lonnie talks about "mastering the material." I might ask the question, "Do you think you are ready to present Men's ministry that works # 1 to a group of men? If not yet, what do you need to do to be prepared to present it?"
