

# Men's Ministry That Works #2

---

How do you react to the statement: "The discipleship goal of the Every Man A Warrior ministry is to develop men with the skills necessary to walk with God, succeed in life and multiply these spiritual skills and truths into the lives of other men." Agree? Disagree? Why?

Why is important to build skills into the life of a man? What happens if we don't build skills, and just share information?

Draw the EMAW process. How are the building blocks incorporated with the skills? What skill goes with each building block ? (e.g. Love relationship with God and Quiet Time)

Why is it important to have a reproducible process? What are some things we might do as leaders which could inhibit someone from reproducing? What are some things we can do which could enhance reproducing?
