## Several EMAW Testimonies From Men Serving Time

- "All I can tell you is that my marriage today is 360 degrees from what it used to be. I used to call my wife a few times per month, now I call three to four times per week. I used to write her once every six months, now I write her every time I learn/experience a Spiritual Truth in the Word - which is often. Now I'm writing her numerous times per month".
- "This is the best program I have ever been involved in prison. There's not much and this one has changed my life. It caused me to look at issues that will help me when I get out of here. Stuff I didn't look at that dealt with my everyday battles".
- "The changes in my marriage, in the last five months, are nothing less than a miracle".
- I surprised myself with my ability to memorize scripture and then how my mind uses these verses as a filter when I look at life around me.
- Before I had no knowledge of scripture but being in "Every Man a Warrior" taught me scripture, how to understand it in my everyday life
- It has changed my way of thinking. It also allowed me to get in touch with myself. I just wish "Every Man a Warrior" was around years ago (in the jail). This program has impacted my life in so many ways. I just want to say "thank you" for changing my life.
- Biggest change since EMAW: My heart became softer towards others and I'm more willing to share my testimony with others. I want everyone around me to experience freedom and peace through Christ Jesus our Lord just like I have.
- "I'm 57 years old, spent too much of my life in the penitentiary and I just learned how to pray, how to memorize and how to be a Christian."
- "EMAW changed my life!"
- "I thought I knew Christ and then I got this book."
- "I wish I had learned this 20 years ago. It has allowed me look at myself and opened my eyes."
- "This is Spiritual Boot Camp. There is no discipleship in jail. This gave me a clear picture on how I am to conduct myself."
- "Since my injury, I had given up memorization" (Leader's Comment: "he now knows the scriptures better than anyone and is currently working on the leader's pack")
- "I asked God to bring me someone and He gave me EMAW. I had been through countless Bible studies and have nothing to show for it. Now, I do!"
- "God gave me EMAW, the men at this table, how to do Christian fellowship and relationships and how to look at God in every decision. This was the true highlight of my week and I couldn't wait for Friday!"
