## Introduction

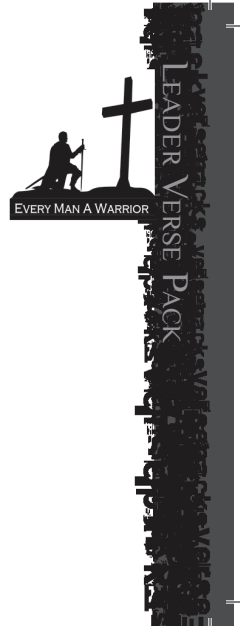

For an *Every Man A Warrior* leader to become an “expert builder” of men, he must know key Bible verses on the issues men face. These thirty Scripture passages come from the *Every Man A Warrior* curriculum. As you lead the course these verses will increase your skill in discipling men and having answers to the questions they face every day. As the men in your group see you memorizing new verses, they will be motivated to do the same. The *Leader Verse Pack* is for men who have already memorized the first 24 selected passages in the *EMAW* course and want to build on that foundation.
