Get started right

We have seen Every Man A Warrior discipleship multiply to the fourth generation and beyond. Men who are impacted personally by what they learn go on to train other men, who in turn train others. Many lessons have been learned since the launch of the ministry in 2011. We know the importance that getting your group started right has on successfully training men to become reproducing disciple-makers. Join one of our regional directors at a one-hour "Getting Started Right" webinar to get key insights on the do's and don'ts we have picked up from leading hundreds of groups ourselves.
